AIR CARE

VECTAIR V-AIR™

odor control system

***“Effective & Continuous
odor control system for 60 days”***

The V-Air™ odor control system provides up to 60 days fragrance in a completely environmentally friendly manner, operating without the use of batteries or harmful propellants. A choice of high quality recyclable fragrance refills are available as standard.

Locking dispenser available in white, bright chrome or black finishes.

The V-Air™ optional fan component within the unit helps to circulate fragrance in rooms where there is limited air flow & requiring extra fragrance performance.

**dependent on location
conditions and choice
of fan option
optional fan module
